ABOUT US

B&E Electronics Ltd. is a broad-line stocking distributor offering industrial electronic supplies since 1975 to a variety of markets, including the maintenance, repair and manufacturing sectors.

Our expansive inventory includes thousands of the highest quality products from today's leading manufacturers. Examine the depth and breadth of our product offerings by reviewing our linecard on the following pages.

In addition to access to our vast inventory, we offer our customers all of the extra services they're looking for:

- Knowledgeable, highly responsive employees
- Dependable, world-class service
- Competitive pricing
- Accurately and promptly filled orders

Call or e-mail us today and let us know how we can help you with your next project. We'd appreciate the opportunity to add you to our growing list of satisfied customers.
